Spring Schedule Discussion:

Schedule Changes:

- Math 372 – go down to one section
- Math 120 – plan is to add one section TThF 10-11:20 in PS 113  
Instructors in PS 201: If you have a student with a disability and the upstairs room is not accessible to them, notify the chair and a room change will be made.
- Math 50A – plan is to have in LRC 105 to make available to Del Norte and Mendocino campuses.
- Math 55 – has been put into the 3 year night rotation.

Fall Schedule Discussion:

Schedule Changes:

- Math 372 – times need to be changed. Mike and Tami will work it out.
- Math 376 – TThF 10-11:20 section will be moved to LS 112 permitting room availability.
- Math 106 – plan is to add one section. Erin is interested in doing a hybrid course, possibly offered in the evening.
- Math 25 – 3 sections in the Fall.
- Math 30 – Kevin's AM section will be changed to 4 days per week.
- Math 50A – It is proposed that one section should be added for a total of two, an 8:30 class in LRC 105 and 11:30 in PS 117.

Summer Schedule:

A brief discussion took place. Schedule will stay as is for now. Instructors see the benefit of having a 12 week summer session rather than 10. An area of concern is high school students who are not yet out of school when the session begins.

Associate Degree Requirements:

After a lengthy discussion it was decided that the department would propose the following:

1. A degree for the non-transferring student.  
Liberal Arts in Science Exploration with an emphasis in Mathematics.

The Core Courses: Math 50A, 50B  
Electives: Math 15, 4, 45, 50C, 55, Phys 4A

2. For the transferring student.  
An Associates Degree with a major in Mathematics.

The Core Courses: Math 50A, 50B, 50 C, 45  
Electives: 4, 55

Items Held Over:

Block Grant  
Action Plans J  
Accreditation Report  
Math 106 renamed Math 306  
Update on BUS 94 and IT 62

Adjourned: 5:50 pm
